22nd District Celebrates UGLE 300th at Lakewood

UNITED GRAND LODGE OF ENGLAND

More than 200 Freemasons, family members and friends from across our 22nd Masonic District (Cuyahoga and Lorain Counties) assembled in our Lakewood Masonic Temple Ballroom on Saturday, June 24, to celebrate the Tercentenary of the founding of the United Grand Lodge of England. The banquet was jointly organized by the Cuyahoga and Lorain County Blue Lodge Associations. Many attendees took the opportunity to tour our historic home before and after the festivities. And, to the surprise and delight of all, the brief program was interrupted by two time-traveling Brethren visiting from “across the pond” who, among other observations, marveled at the modern conveniences developed over the past three centuries. The festivities concluded with attendees singing together the traditional ode, “Auld Lang Syne.”

Our 22nd District celebration was held 300 years to the day—June 24, 1717—that four London Lodges, obviously already in existence, met at the Goose and Gridiron Tavern in St. Paul’s Church-

yard and declared themselves a Grand Lodge, the first such Grand Lodge in the world.

Our own Grand Lodge of Ohio was formed in 1808, five years after Ohio became a state, by six Lodges then meeting in Ohio that were first chartered variously by the Provincial Grand Lodge of New England (Moderns), one of the predecessors of the present Grand Lodge of Massachusetts; and the Grand Lodges of New Jersey (via Kentucky), Connecticut, Pennsylvania and Massachusetts.

Our own Lakewood Lodge was chartered in 1908, followed by Gaston G. Allen Lodge in 1914 and Clifton Lodge in 1920. The two latter Lodges consolidated as Clifton-Gaston Allen Lodge in 1996. Our own Lakewood Masonic Temple celebrated its centennial in 2016.

But what of us? We continue to make our own history, but only with the loyal support of our members. Masons and Eastern Stars alike must continue to live up to the responsibilities of membership. We will always need new members and new officers to take over from those who have preceded us. We must continue to provide the financial support needed by our Masonic organizations, our Masonic charitable works, and—yes—our own Lakewood Masonic Temple and Lakewood Masonic Foundation. Gifts to our Lakewood Masonic Foundation (but not our Temple Company or its Endowment Fund) are exempt from federal income and estate taxes to the extent permitted by law, including special treatment of certain charitable gifts made directly from IRAs You may make your gift using the form on page 11.

Appreciated Assets As One-Time Gifts

With stock markets once again approaching their all-time highs, the opportunity to make gifts in the form of appreciated assets becomes more attractive to many donors.

There are various reasons to use appreciated assets to make one-time gifts to an organization such as The Lakewood Masonic Foundation. Chief among them are the sense of personal satisfaction you will achieve from making a special gift and the likely benefit you will receive from the unique tax breaks for this type of gift.

A gift of an appreciated asset often provides you with a greater tax benefit than a gift of cash. For example, a gift of appreciated stock that you have held for more than 12 months can be deducted at its current value if you itemize deductions, and you won't have to pay capital gains tax on the appreciated portion of your gift. As always, you are encouraged to consult with your legal and tax advisors before making a gift of this type.

There are two ways to use appreciated assets—such as stocks, bonds, mutual fund shares, real estate and insurance policies—to make a special gift. One option is to donate the asset outright, meaning that it would be transferred immediately from you to The Lakewood Masonic Foundation. Another option is to fund a lifetime income gift, which will provide you with income for your lifetime or for some other specified period of time. If you are interested in donating an appreciated asset, please contact The Lakewood Masonic Foundation, 15300 Detroit Avenue, Lakewood, OH 44107-3888 to discuss proper arrangements. You may also email donate@lakewoodmasonicfoundation.org.

If you prefer to make a more straightforward gift, you may simply write a check using the form in our newsletter (see page 11), by responding to our letter appeals or by adding a donation to your annual dues.

You may designate your gift or bequest to be used for our historic preservation, educational or charitable purposes; split your gift among these purposes; or simply ask that your gift be devoted to our greatest need. All gifts, other than a small percentage spent for printing and mailing, are used for our stated purposes.

Your donation is a special way of showing your love for our Lakewood Masonic Family and for our historic home. Our 2016 Centennial is upon us, and we still have lots of catch-up maintenance to complete on our facilities.

While gifts and bequests may be directed to our Lakewood Masonic Foundation, our Lakewood Masonic Temple Endowment Fund or our Lakewood Masonic Temple Company Operating Fund, please note that only gifts and bequests to our Lakewood Masonic Foundation are deductible for federal income and estate taxes to the extent permitted by law. Gifts to our Endowment and Operating Funds are not deductible; but, depending on your tax situation, deductibility may not be an issue for you.

Master's Message

I cannot believe how fast the year has flown by. It seems like we just had our Table Lodge and we were talking about going Dark for the Refreshment of Summer. Now we have the task of preparing for the final months of this Masonic Year. We still have a full slate of activities, including degree conferrals, to complete before our annual Grand Lodge in Dayton and our own Annual Meeting in November.

Our LEO Bro. Bruce Cowan has moved to Florida. We can't understand why he chose Florida instead of the frozen tundra of Minnesota; but, on behalf of Clifton-Gaston Allen Lodge, we wish him nothing but the best. However, Wor. Bro. Ed Haupin has stepped in and is working hard to keep our Lodge on track to fulfilling all educational requirements this year.

I really want to THANK each and every Brother who had confidence in me, and for allowing me to serve this Lodge this past year. Thank you for bearing with me and assisting me during my recovery. We have a strong line, and our Past Masters have given me guidance and counsel to have Clifton-Gaston Allen Lodge put another year in the books.

Even though we are winding down the year, remember we have to finish strong and be ready to hit the ground running for the upcoming year. Elections will be held during our stated meeting on November 8. They are our future. Pray for guidance before casting your ballot, and let your conscience be your guide. Remember the principles of Freemasonry. We all must be tolerant and forgiving.

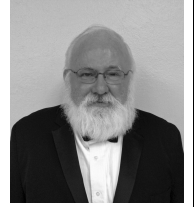

Please mark your calendar for the weekend of November 17-19 for our annual Installation events. Our Installation of Officers will be on Saturday at 3:00p, open to invited guests as is our tradition. We expect to welcome visitors from our sister Lodges in Canada at a Friday evening dinner and Sunday brunch in addition to our Saturday evening afterglow and the Installation itself. All of these events are open to invited guests.

Thank you all for the privilege to have served our Lodge this past year. I cherish and value each and every one's friendship and brotherhood. Let these principles govern our lives and Lodge.

Atelier

The French thus call the place where the Lodge meets, or the Lodge-room. The word signifies a workshop or place where several workmen are assembled under the same master. The word is applied in French Freemasonry not only to the place of meeting of a Lodge, but also to that of a Chapter, Council, or any other Masonic body. Bazot says in the *Manual du Franc-Maçon* (page 65) that *atelier* is more particularly applied to the Table Lodge, or Lodge when at banquet, but that the word is also used to designate any reunion of the Lodge.

Master's Message

Brethren,

I hope everyone has been enjoying their summer vacation and our little amount of time away from our Craft. But alas, it is almost time for us to return. To return to the place whence we came. Invested with the rest that we needed to continue our Masonic journey. When we return we will have much work to do, but I'm always so grateful that none of us have to do it alone. It has always been so good, and so pleasant to know that all of us are in this together. Let us never forget the solemnity of what we do. We may devote our time to causes, fundraisers, relief to those in need. But let us always remember how sacred our Craft is. For hundreds of years it has been, and may it continue to for hundreds more. From creature to creator, let us be humble and wise to our new Brethren that are coming in. Let us teach them the respect for the Craft, which we all have been taught from Brothers before us. Some are new, some have been for a long time, and some have left us. But we all carry the same wisdom, strength, and beauty that Freemasonry has taught us. When we return we will have plenty of more degrees to do. We will pick up exactly where we left off and continue to push our Lodge to be the best Lodge we can be. If any Brethren feel that we have unfinished business since I have been in the East, please bring it up at our first meeting back so we can get those things done. When I step out of the East, I myself will be taking on new challenges for the Lodge to make us stronger. Let's learn it all, Brethren. Let us strengthen our minds and hearts with the benefit of our beautiful Craft. With that being said, it has been an honor to take the station of wisdom and reside in the East for this Masonic year. From the bottom of my heart, thank you all for your hard work. Hard work never goes unnoticed. That hard work will continue to grow with time as well. I will be here to make sure of it, as I am always learning new things myself. What an adventure this life has been, Brethren; and I couldn't ask for better Brothers to contemplate it with. Love you all.

Anderson Manuscript

In the first edition of the *Constitutions of the Freemasons*, published by Doctor Anderson in 1723, the author quotes on pages 32-3 from "a certain record of Freemasons, written in the reign of King Edward IV." Preston also cites it in his *Illustrations* (see page 182, 1788 edition), but states that it is said to have been in the possession of Elias Ashmole, but was unfortunately destroyed with other papers on the subject of Freemasonry, at the Revolution. Anderson makes no reference to Ashmole as the owner of the manuscript, nor to the fact of its destruction. If the statement of Preston were confirmed by other evidence, its title would properly be the *Ashmole Manuscript*, but as it was first mentioned by Anderson, Brother Hughan has very properly called it the *Anderson Manuscript*. It contains the Prince Edwin legend.

Matron's Message

I hope all of our Sisters and Brothers have enjoyed the summer and are looking forward to the last quarter of our 96th yr. I guess it is true "Time flies when your are having fun." It is my hope and prayer that you all enjoyed the celebration of our 96th year. Don and I would like to thank you all for your continued support and love this past year as your Worthy Matron and Worthy Patron. It has been fun and an exciting year serving all of you. We've had a great year. Our charities have personally attended our Chapter meeting and have shared with us more detailed information about their organizations. Our gifts to them reached many hearts within. Thank you for our support of these charities. Remember the "RULES OF LIFE" Do all the good you can, and all the places you can, at all the times you can, to all the people you can, as long as ever you can. We have had a fun year with Around the Town dinner groups, trip on the Nautica, Honored 23 Grand Representatives, and wonderful entertainment and much more. Hold close to your hearts the love of treasured friends, Sisters and Brothers we have recently lost this past year. They all are missed but safely in the Kingdom, that awaits us cradled in the arms of our Lord, where the Angel's are watching over all of us. In closing, remember "Prayer does not change the purpose of God, but prayer does change the action of God." MAY YOUR DAY BE FILLED WITH BLESSINGS.

High Priest's Message

Companions:

I want to thank you for electing me to the office of High Priest of Cunningham Chapter. I hope that I can live up to your expectations. I would also like to congratulate all the newly elected officers on their positions. I hope everyone enjoyed their time off over the summer; and, with your batteries recharged, we are ready to resume our labor for this new year. I would also like to congratulate all of the new officers in the other Lakewood Masonic bodies and wish them well in this new year. If there is anything that Cunningham Chapter can do to help in your new year, ask.

We will once again start the year with a Table Chapter on September 20, with a fundraising spaghetti dinner for our 16th District Association beginning at 6:30p. Cost is \$10 per person. Please call or email your reservation to me. I hope to see all Chapter members present.

Our Grand Chapter will meet October 3-5 at the Holiday Inn on Rockside Road in Independence. If you can volunteer even a couple of hours of your time, our host committee will need guards, ticket takers and the like. Let me know if you can help.

At our October 18 stated convocation we will practice the Mark Master Degree for conferral at our November 15 stated convocation. Please contact me if you can take even a small part. Someone did it for you; now pass the favor on.

Finally, keep up your efforts to recruit new members for our Chapter. Our petition form can be downloaded from a link on our home page. Royal Arch Chapters are the gateway to the York Rite. Councils and Commanderies depend on our success. Help Make a Difference!

Lakewood Council #125 R. & S. M.

Stated Assembly First Wednesday 7:30 p.m. • www.lakewood125rsm.org

Master's Message

Companions:

A new Cryptic Year is upon us! As is our recent custom, we will begin our year with a Table Council at our September 6 stated assembly. Dinner will commence at 6:30p, for which we have in mind lasagna with salad, bread, dessert and beverages, all for a donation of \$10 per person. Immediately following dinner we will open a Table Council around the dinner table. Our guest speaker for the evening will be Companion Abraham Kay, who will speak on the subject of Jeremiah (think "prophet" and "SEM" rather than "bullfrog") and the conflict between good and evil. His talks are always instructive and entertaining and lead to interesting questions and discussion. Please call or email me so we can get a reasonable dinner count.

Some of us will be attending Grand Council from October 1-3 at the Kalahari Resort in Sandusky, returning to Cleveland for Grand Chapter from October 3-5, and then sojourning to Columbus for Grand Commandery on October 5-7. Since Lakewood Council's October stated assembly falls on October 4, the night of the Grand Chapter Banquet, we especially ask our Lakewood Council Companions to attend our stated assembly that evening to help make quorum to transact our necessary business.

At our November 1 stated assembly we will confer the Royal Master Degree. We have at least one candidate in waiting. NOW is the time to recruit additional candidates so we can act on their petitions by November 1. Our petition form is available online from a link on our home page.

On Sunday, November 5, we will host the annual 7th Arch School of Instruction. Start time is 2:00p. While geared largely to officers, all Companions are welcome.

Our December 6 stated assembly will be devoted to practicing the Select Master in anticipation of conferring it on January 3 for Inspection.

We are always looking for Companions to take parts in our degrees. Even the seemingly minor roles of Giblytes and Workmen are essential to the presentations of these degrees. Please contact me if you can help.

Commander's Message

Sir Knights:

It's tempting to open this message by referring to our recent summer "vacation" from our Knightly duties; but, for some of us, our "vacation" was filled with drill practices, color postings, Division meetings and other York Rite doings. Nevertheless, we are now back to our regular routine.

At our September 13 stated conclave we will walk through the Full Form Opening to familiarize ourselves with the Tactics associated with our new offices. Full Templar uniform is NOT required that night; however, please bring your sword and belt (or sling) as we will practice the sword manual as well as certain sword and marching commands specified in the FFO Tactics. It will also be helpful to bring your ritual book.

Our October 11 stated conclave will be devoted to practicing the Orders of Red Cross and Malta, with particular attention to the paraphernalia set-ups which we have not done in our own room for several years. We may practice certain portions of these Orders based on expressed needs of participants from throughout our 7th Division. Any Sir Knight willing to take a part, however large or small, should contact SK Bob Esarey.

At our November 8 stated conclave we will host our 7th Division joint conferral of the Full Form Orders of Red Cross and Malta. Please note that we will open at 7:00p that evening.

We currently have one prospective candidate for the Orders plus another in waiting for the Order of the Temple. NOW is the time to recruit additional candidates so we can act on their petitions by November 8.

Finally, our Temple is blessed to host Cleveland Assembly #15 Social Order of the Beauceant. Most female relatives of Knights in good standing (currently or at the time of passing) are eligible to join. Please help these dedicated ladies recruit new members. See page 9 to contact their Recorder.

President's Message

Summer was a busy time. On June 27 SOOB had a Summer Family Event for members, family members and friends. The Committee for this event was headed by Sisters Ellen Wadge, Gerordyanne Umranwala and Summer Michalski. They took the children on the River Nature Tour of the Black River. They had many activities and, of course, the sightseeing two hour tour. Summer Michalski's daughters, Abi and Amber, who are members of Job's Daughters, also assisted with the children. When the tour ended, they had a picnic at the Black River Landings. They were very fortunate to be able to watch the Bascule Bridge open as a large ore boat arrived. They were fascinated watching the bridge going up and then coming back down as the ship came through. All had a wonderful time.

Sister Debbie Wykoff chaired the Lunch Bunch at Guarino's in Little Italy on July 19. After a delicious luncheon some went to Presti's Bakery. It was a wonderful afternoon enjoyed by all.

On August 27 Sister Ellen Wadge hosted the Lunch Bunch at Roland and Lisa Wadge's home in Amherst. Ellen celebrated her 80th birthday on the 28th.

I hope all our Sisters enjoyed their summer. We will see everyone at our September 13 meeting.

mourning in Assyria, Phenicia, and Egypt, to commemorate the death and burial of their Sun God; and as well the period in the festivals of the resurrection of Adonis and Osiris; the period of forty days thus being a bond by which the whole world, ancient and modern, Pagan, Jewish, and Christian, is united in religious sympathy. Hence, it was determined as the period of mourning by the Supreme Council of the Ancient and Accepted Scottish Rite of the Northern Jurisdiction, United States of America.

Installation

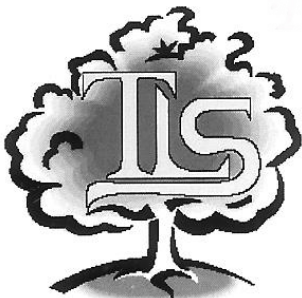

The act by which an officer is put in possession of the place he is to fill. In Freemasonry it is, therefore, applied to the induction of one who has been elected into his office. The officers of a Lodge, before they can proceed to discharge their functions, must be installed. The officers of a new Lodge are installed by the Grand Master, or by some Past Master deputed by him to perform the ceremony. Formerly, the Master was installed by the Grand Master, the Wardens by the Grand Wardens, and the Secretary and Treasurer by the Grand Secretary and Treasurer; but now this custom is not continued. At the election of the officers of an old Lodge, the Master is installed by his predecessor or some Past Master present, and the Master Elect then installs his subordinate officers. No officer after his installation can resign. At his installation, the Master receives the Degree of Past Master. It is a law of Freemasonry that all officers hold on to their respective offices until their successors are installed. It is installation only that gives the right to exercise the franchises of an office.

The ceremony is an old one, and does not pertain exclusively to Freemasonry. The ancient Romans installed their priests, their kings, and their magistrates; but the ceremony was called *inauguration*, because performed generally by the *augurs*. The word *installation* is of comparatively modern origin, being medieval Latin, and is compounded of *in* and *stallum*, meaning a *seat*. Priests, after *ordination* or reception into the sacerdotal order, were installed into the churches or parishes to which they were appointed. The term as well as the custom is still in use.

Installation as a Masonic ceremony was early used. We find in the first edition of Anderson's *Constitutions*, a form of *Constituting a New Lodge*, which was practiced by the Duke of Wharton, who was Grand Master in 1723. It was probably prepared by Desaguliers, who was Deputy, or by Anderson, who was one of the Wardens, and perhaps by both. It included the ceremony of installing the new Master and Wardens. The words "Shall, in due form, *install* them" are found in this document. The usage then was for the Grand Master, or some Brother for him, to install the Master, and for the Master to install his Wardens; a custom which still exists.
